

Thursdays from 7-8:30pm

Tuesdays from 7-9pm

The goal of CHAOS is to develop Christ-honoring awesome outrageous students in grades 6-8. Two weekly programs are offered in order to accomplish this goal.

CHAOS on Sunday offers students an hour of singing, teaching from God's word, and small group interaction in the games room from 9:30-10:30am.

CHAOS on Thursday offers students a night of sports, competitions, music, worship, teaching from God's Word and small groups with friends from 7:00-8:30pm.

CHAOS Retreat – at Michindoh Conference Centre in Hillsdale, Michigan - an incredible weekend in May.

The goal of STRIVE is to develop high school age students that stand for Seeking God, Truth, Revealing Christ, Integrity, Valuing Others, and creating Enthusiasm.

STRIVE is described as a fun night of worship, teaching from God's Word, hanging out, sports, retreats, games and small group interaction with friends.

STRIVE is offered on Tuesday nights from 7-9pm for high school teens.

Impact is being developed to provide opportunities for youth of CHAOS and STRIVE to exercise their faith at a deeper level. Through missions projects both locally and globally, and through deeper teaching, students will be challenged to live out their faith in more practical and selfless ways.

The goal of IMPACT is to see students use their time and talents to accomplish the work of God in our church, the community of Lakeshore, and beyond.

**CHAOS/STRIVE LEADERS
OFTEN START OUT AS
CHAOS/STRIVE STUDENTS**

Starting In September

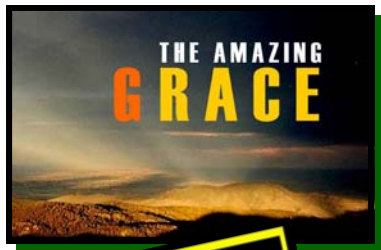

Quest is an interactive video series designed to engage youth in discussion of spiritual issues from a Christian perspective no matter

where the student is at in their faith journey. A great series for youth to bring their friends!

Coming Up...

Takeoffs of the popular TV shows *The Amazing Race* and *Fear Factor* where youth will compete for "prizes" as they learn about God's amazing grace and how to cope with fear.

Retreats

CSI takes part in two major weekend retreats, Pitch and Praise and Michindoh. CSI Retreats are designed to be fun yet inspirational - where learning more about God by spending time with friends and leaders is one of our main goals.

The place to be
...where students are encouraged
to have hearts to follow hard
after God...
...where students are encouraged
to bring their friends!
