JUMP UPDATE

According to Wikipedia, "*Patience is the state of endurance under difficult circumstances. This can mean persevering in the face of delay...without becoming annoyed or upset.*" While the work in the main foyer hasn't progressed as quickly as some had anticipated, a lot has been accomplished in the last couple of weeks - even if we can't see it. Continue to be patient - the results will be worth it! Have you checked out the new look in Kids Cove? If not, take a few minutes to see the "art in progress". It's a "WOW".
