Last week we talked about spiritual riches (Ephesians 1:3-14). But what about material riches? I mean, there's always someone richer, isn't there? Maybe it's just me but we often gauge how rich we are by looking upwards at those that have more than us and this makes us feel poor. But the reality is, I am already rich. And chances are, if you live and breathe in North America, you are too. I have two cars and a single family house. You drop that scenario into most places in the world and I'm a very wealthy person. I'm already rich.

If you read history you will find that the Christians who did most for the present world were those who thought most of the next. The apostles themselves who set out on foot to convert the Roman Empire, the great men who built up the Middle Ages, the English evangelicals who abolished the slave trade, all left their mark on earth precisely because their minds were occupied with Heaven. It is since Christians have largely ceased to think of the other world that they have become so ineffective in this one. Aim at heaven and you will get earth "thrown in." Aim at earth and you will get neither. - C.S. Lewis

A Study Guide for today's message is available on the table in the Ministry Area of the main foyer as well as online. Past study guides are available on our website.

HOW TO BE RICH

TWO CARS & A SINGLE HOME

Command those who are rich in this present world not to be arrogant nor to put their hope in wealth, which is so uncertain, but to put their hope in God, who richly provides us with everything for our enjoyment.
